Application Status: Your AEO T1 application is under process. Kindly contact the AEO Cell of the relevant Customs Zone for more information. The mail ID of the zone is provided under the tab "Communication address of the concerned zone" at left side of your dashboard.

Mobile Number & Email Id Verification: Verified

Issue Deficiency \ Additional Submission Document:

During this approval process, If application is deficiency issued then applicant can received 'deficiency mail'. Then they need to submit 'Additional Submission Document' in order their deficiency details. After 'Addition Submission Document', again application details will be moved to approval process.

The screenshot displays the 'Customs AEO' web interface. On the left is a navigation menu with 'T1 Application' selected, and 'Application Form' highlighted. The main content area shows a notification titled 'Deficiency Mail Details' with the following information:

- Mail Sent On :** 06/06/2023 10:54 AM
- Mail Subject :** Your AEO T1 Application has some deficiencies.
- Mail Header :** "Note – All the deficiencies need to be replied/additional documents submitted in the "Additional submissions upload (in case of any deficiency)"

Below the notification is a yellow box labeled 'Additional submissions upload (in case of any deficiency) [5MB-pdf]' with an upload icon button. At the bottom are 'Submit' and 'Reset' buttons. A footer note reads '© 2018 Central Board of Indirect Taxes & Customs, India.'

This screenshot shows the same interface after a submission. A modal dialog box is open with the message: 'localhost:9001 says Application/Annexure submitted successfully!' and an 'OK' button. The main content area now displays a 'Loading...' spinner. A red banner at the bottom left of the page reads 'Waiting for localhost...'

T1 – Application Rejection:

If application will be rejection due to any reason, application will be received rejection details mail then they can file refresh T1 application again after 7 days from rejection.

T1 – Application Approval:

After application will be approved, applicant can receive approval mail with 'Digital Signature Certification' via their registered mail. Even after approval, applicants need to file self-declaring for every financial year after approval. Those self – declaration details will be involved approval process, in this approval process, if declaration will be revoked, then present certification will be cancelled, and then they need fresh T1 application again after 7 days of revocation. If declaration will be approved then, their certification validation date will be extended.
